EXPERIENCE

XpertDigi, LLC, Lahore — Web Copywriter

JUNE 2023 - PRESENT

- Writing comprehensive website copies, adapting tone and brand voice to suit diverse B2B and B2C niches.
- Developing geo-targeted landing pages and localized service content designed to directly address customer pain points and capture regional search traffic.
- Researching and drafting blog articles by analyzing competitor content structures to create more comprehensive, engaging, and readable resources.
- Conducting structural edits and thorough proofreading to ensure grammatical precision, clarity, and a natural, conversational flow.
- Seamlessly integrated target keywords into digital copy without compromising user experience, and regularly audited existing content to match shifting client needs and search intent.

7 Sky Marketing, Lahore — Content Writer

SEP 2022 - JUNE 2023

- Performing keyword research to identify high-value search queries, pitching and writing insight-driven blog articles that matched user search intent.
- Managed end-to-end publishing via WordPress, executing on-page SEO by properly structuring metadata, heading hierarchies (H1/H2s), and internal linking.
- Authoring social media captions to boost digital visibility, and drive referral traffic to the website.
- Proofreading all written deliverables prior to publication to guarantee factual accuracy and eliminate structural errors.

Digital Guru, Lahore — Content Writer & PR Support Specialist

MAY 2020 - MAY 2022
